

Sermon Discussion Questions

Ephesians 4:17-23 12/6

- Why would Paul ask Gentile Christians not to live like Gentiles?
 - What's one of the ways your thinking about life has changed since becoming a Christian (or what's a more recent development in your discipleship to Jesus)?
 - What about the gospel and the circumstances made you change your thinking?
- What's the experiential difference between learning how to do things as an individual vs. in a group?
 - How does the fact that learning to live with Jesus is a communal work impact your understanding of discipleship?
 - What have you learned about living as a disciple in a community that you wouldn't have learned if you were living as a disciple in isolation from others?
- How have you grown spiritually since the start of this small group this year?
 - What have you received from the group that helped you grow?
 - What can you contribute to the group in the winter months to stay connected in discipleship?
