

Short-Term Mission Trip to Argentina

Dates: December 27-31, 2022

Trip Objective: To serve the churches of Argentina in their evangelistic development, and to achieve a cross-cultural impact with the gospel in each city.

About the Trip: The team will visit Word of Life, four different churches, and hold a massive event for young people in the South zone of Buenos Aires. For the youth event and evangelistic activities, people from several local churches will join the team. At each place where the team visits, one of the team members will have the opportunity to share their testimony and even the gospel, depending on their fluency in Spanish.

Helpful gifts/talents: Those with gifts of (or heart for) evangelism and prayer are best suited to this mission. Some fluency in Spanish is a plus.
